

How to Register for My Lions App

1. In your internet address bar type:

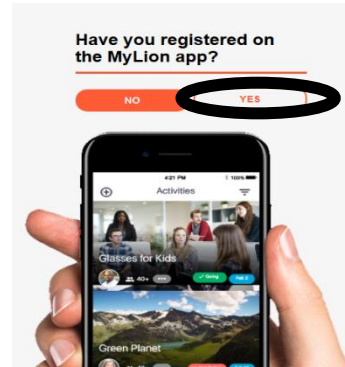

- a. myapps.lionsclubs.org
- b. Click Enter on keyboard

c. You will see this site once you click Enter on your keyboard.

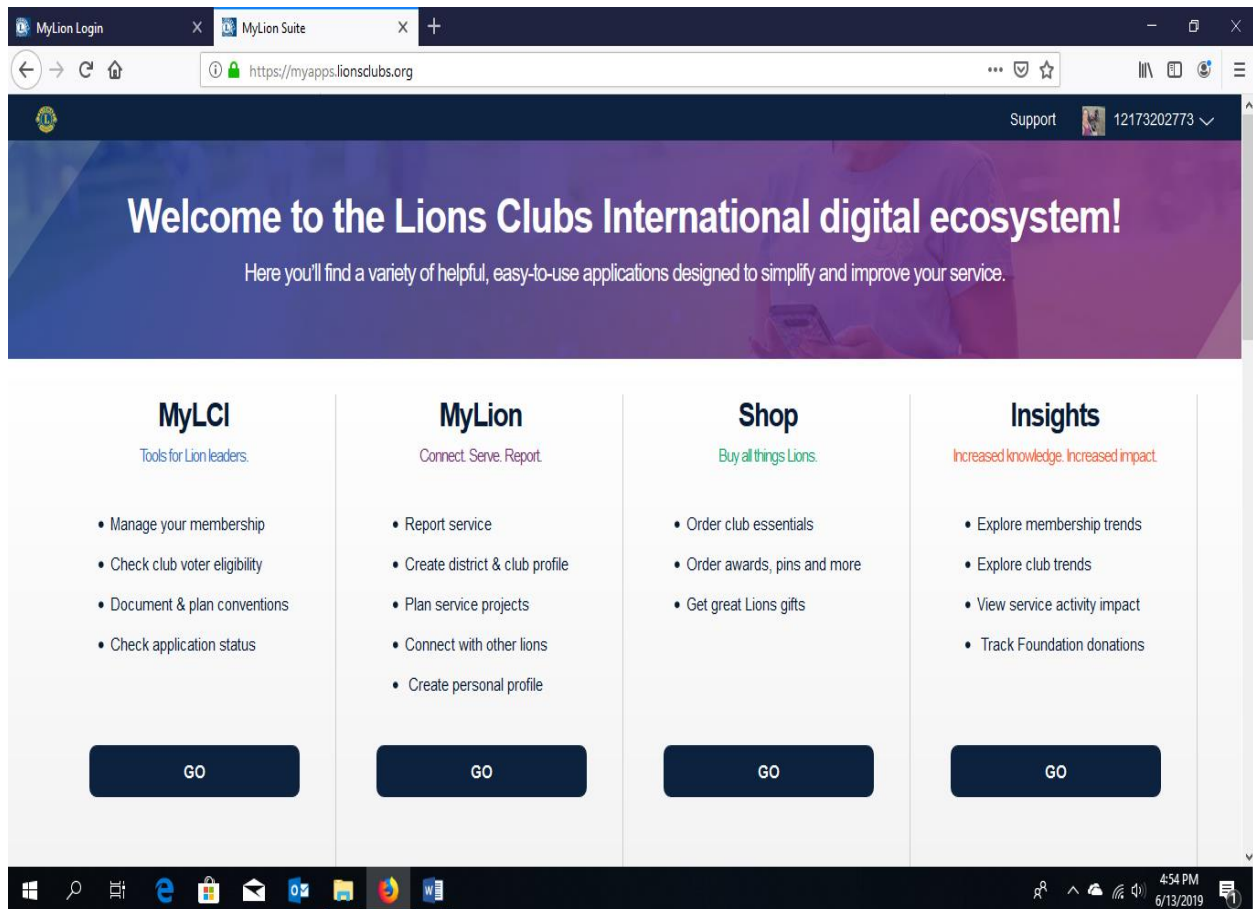

2. Click **Register** to sign up for your My Lion Account. This will be the screen you see next. If you **HAVE** registered for the MyLion App on your mobile device previously, then click **YES**. It will not turn red when you click it. It will take you directly to this next page.

3. This will be your next screen. Now enter the credentials that you used to sign on to your mobile device.

You should now be able to log into the MYLCI APP

PLEASE MAKE NOTE: If you used your phone number to register You MUST include the Country Code. This is for an International Website (hence Lions International). Therefore, the country code must be used in front of your phone number when you log in.

Once you log in you will see this page. The MyLCI section will take you to the traditional MyLCI website that you have probably seen before. This is where you update membership, officers, etc....You can even do your Service reporting here to, as well as the next one....MyLion.
